Review of Michael Rothberg. *The Implicated Subject. Beyond Victims and Perpetrators*. Stanford, CA: Stanford University Press, 2019.

Keywords: Rothberg, memory studies, implicated subject, victims, perpetrators

Abstract: Michael Rothberg's new book, *The Implicated Subject. Beyond Victims and Perpetrators*, develops his seminal ideas from his 2009 study, *Multidirectional Memory. Remembering the Holocaust in the Age of Decolonization*. While in his previous work Rothberg focused on intersecting comparative, non-competitive forms of memory deployment, his new book builds upon and nuances the entanglements and networks of previously touched-upon aspects of solidarity and complicity.
